## SPECTACULAR PARADE TO HERALD OPENING OF TOWNSHIP FAIR

Populace Invited To Participate Next Wednesday Evening

Attention of all Washington township will be called to the forthcoming Washington Township Fair, slated for June 29, 30 and July 1, when Centerville, decorated and ready, will stage one of the biggest parades ever to be witnessed in the south county on Wednesday evening, next week.

### All May Join

The huge spectacle, which is slated to begin promptly at 7:00 o'clock, on the evening of June 27, will embody hundreds of decorated automobiles, farm implements, tractors, delivery trucks and historical paraphernalia. In short, every means of transportation that does not use rails to run upon is invited to join in the march. Frank Madruga, head of the parade committee, stated this week that a decorated car is the only requirement for entry. Or it may be a decorated bicycle, or a baby carriage.

Starting from Central avenue, after forming on that street, the prodigious serpentine will proceed north to Rose garage. It will turn there and retrace its course to the high school, where it will disband.

### Parade Voted

The parade, as proposed, is the outcome of a meet of the Fair executive committee Monday night, when it was decided that the event would not be complete without a huge, street spectacle. The following were appointed to the parade committee: Frank Madruga (chairman), Joe Jason, Bill Furtado and Frank Botelho. The committee busied itself immediately, and more than 100 cars were signed for the march by Tuesday noon.

### "Flying Booster Parade"

Previous to the main parade, which will begin at seven o'clock a "Flying Booster Parade" made up of some fifty cars will tour the township, making a visit to each town. Following is the "Booster" schedule: Leaves Centerville 4:00 p. m., arrives at Irvington at 4:15, arrives at Warm Springs at 4:30, at Mission 4:45, at Niles 5:00, at Decoto, 5:15, at Alvarado, 5:30, and at Newark at 6:00. Joe Jason, in charge of the "Flying Boosters" states that each town will be invited to participate in the main parade.

### Tile Company Active At Niles This Week

Active work at W. S. Dickey Tile Manufacturing plant north of Niles began Monday after a period during which alterations and repairs were made, according to Lester Duffy, company official.

Orders for materials for extensive building operations in San Francisco will keep the plant in operation for some time. There are about forty-five employed.

The Livermore branch of the company will begin work, Duffy said, to replenish stocks depleted during the last few months.

## SALESMAN SEIZED IN ALLEGED LOCAL SWEEPER SWINDLE

Reported Registered At San Jose Hotel As "Dr. Fox, Niles"

What was alleged to have been a great vacuum sweeper swindle, in which a number of Niles people were victimized, was brought to a speedy conclusion early Tuesday morning, when Harold Cox, said to have been a bonded salesman for a large sweeper concern, was arrested by San Jose police. Cox, who had lived here several months had sold new sweepers at one-third their value.

The arrest was made after Cox's description and the license number of his car had been radioed to San Jose, to which city he had been traced. He had registered at a San Jose hotel as Dr. H. F. Fox, Niles.

In addition to his alleged sweeper hoax, Cox will be held to answer for a local bad check charge. He is lodged in the county jail pending investigation at the Centerville justice court.

According to reports, Cox approached his intended customers with the new machines stating that they were used ones on which a small balance was due. He is said to have sold them for as low as twenty-five dollars.

After selling one of the machines to a Niles woman, Cox is said to have returned and "borrowed" the device for a demonstration nearby. He did not return, nor did the machine.

One purchaser, to whom a machine had been sold minus the full number of accessories, decided to look into the matter, and called at the Oakland headquarters of the sweeper concern. He learned that Cox had only one machine to sell second-hand. The others were new.

Although the sweeper company has signified its intention of either allowing the local purchasers to keep the machines, or refunding their money, quite a number of Niles people will be eager to see Cox, if only for an explanation.

## "OLD SWIMMING HOLE" FURBISHED UP BY BOY SCOUTS

Delayed a trifle by the prolonged spring, the Niles scout troop got busy last week and finished the annual preparation of the "old swimmin' hole", in the lake west of Niles.

For many years, or ever since the gravel pits were dug, local boys have made the lakes their summer headquarters. On very hot days the water is fairly alive with screeching urchins.

Clarence Pine, assisted by several of the older boys, installed the diving board last Saturday. Money for the lumber was obtained through a canvass of those who use the "plunge" and from the Boy Scouts.

When they boys turn their attention to swimming, summer is here.

## Father of Eight Dies Wednesday At Decoto

Death came last Wednesday night for Elias Castro, 60 year old Decoto man after an illness of several weeks. The elderly man had been in poor health for several months.

Castro, a native of Porto Rico, was a member in good standing of the Porto Rican Society of Decoto. He is survived by his wife, Mrs. Petra Castro, and by eight children.

Funeral services, under the direction of the Chapel of Palms were held Friday morning at 9:00 from the Corpus Christi church at Niles. The Rev. Father Emmet O'Connor officiated. Interment was in the Holy Ghost cemetery at Centerville.

### LIFTING THE VEIL

After following the Sunday papers the last few weeks, the average reader must think that if charity is to be the veil to cover a multitude of sins in the dead, cant should not lift that veil to swear that those sins were virtues.

## CREEL'S CANDIDACY A MISERABLE POLITICAL FARCE

The erstwhile discovery of Bonfield and Tamman, one-time bunco men of the middle west, and later publishers of the muck-raking Denver Post, the yellowest of yellow journals, has caused but little stir in the political waters of California. With a show of egotism rarely displayed by anyone reputed to be of some consequence in the Golden West, the Creel interview with the press the day before the official announcement of his candidacy for the governorship, was disgusting and alienated what support he might have otherwise received independent of the patronage-built McAdoo machine, carpet-bagging organization now afflicting the fair state of California.

Creel is definitely out of the running. That much all unbiased political analysts admit, and the prognostication of intelligent opinion is that the Creel boom is busted, and should the ex-editorial writer of Denver's notorious journal persist in shutting his eyes to the fact that nobody wants him and remain in the campaign to the last, he will be a bad third in the running.

Upton Sinclair will win the democratic nomination for governor. Nothing but a very startling right-about-face of public opinion can prevent such an outcome. Sinclair's popularity seems to be sweeping the state like a tidal wave. It is part and parcel of the times. The writer, of course, is not in sympathy with the movement. He deplors centralization of government and the amplifications of its activities. But his wishes and the wishes of those in accord with his theory of administration are swept aside by the onrush of a new era. In the end, we firmly believe, the old idea will be found best and again be embraced by a repentant people. But for the present the Sinclair Epic, as he calls the tenets of his platform, is gaining thousands of adherents daily. Sinclair will be the democratic nominee. After that, the contest will be fought along the lines of the Sinclair socialistic formula, and the platform of the republican party, which, we believe, will urge a return to the sane and tried principles upon which these United States have so magnificently prospered until inveigled into a European war, and together with the world, wasted a hundred years' of wealth in one insane fling of murder and destruction.

And so now, instead of blaming the war, we blame the competitive system, representative government, charging that the individual liberties enjoyed by our people and won for them by ages of conflict with the apostles of absolutism are the cause of our economic and governmental ills.

Sinclair may win in the general election, but that is doubtful. But should he be successful, he will not succeed in upsetting things nearly as much as his admirers believe. The executive branch of the California government can go but so far, and no further. During the past four years it will be admitted it has gone a long ways down the road to ruin, but in its incompetency and low morals it has been materially assisted by a legislature and senate often quite willing to descend into the administrative abyss where the executive mansion seemed to be hid in the dark alleys of ward politics. With Sinclair it will be different. If successful, he will probably stand alone and his parental projects will have difficulty in surmounting legislative obstacles.

If the democrats regret the situation—that is the party leaders—they have no one to blame but themselves. A great opportunity was given them, and they were found wanting. Either by downright assinnity, or by crooked design, the federal appointments generally speaking have been most unfortunate. The party organization has been torn apart by factional strife. Had men of outstanding ability and of clean political morals been appointed to different positions under the federal

## CHAMBER WITHDRAWS SCOUTS SPONSORSHIP AS COMMITTEE QUILTS

### TWO-WAY WAGER WINS FOR CARVO

DON'T KEEP all your eggs in one basket, particularly when betting on a championship boxing match, is the philosophy of Dick Carvo, astute stage depot proprietor, whose pockets bulge with the reward for his sagacity.

Moved by a patriotic zeal for his huge countryman, several months before the recent Baer-Carnera bout, Dick waged a tidy sum that Baer would be vanquished. Then, as the weeks passed and the ballyhoo boosted "Cuddles" and sang the dirge of "Da Preem," Carvo decided to seek out a little Carnera money and play safe.

He played very safe, at two to one odds, and when the payoff came, his winnings far exceeded his loss. Just wait until Il Duce hears about this!

### Months Of Discord Ends Monday In Sharp Decision

Reaching a quick and sharp decision to arrest further discord between the Niles Boy Scout troop and the Chamber of Commerce scout committee, the Niles civic group Monday formally voted to suspend its sponsorship of the scouts until such time as the misunderstanding can be ironed out.

It is the opinion of those familiar with the case that the chamber is entirely justified in its action. During the past several months efforts of direction and assistance made by the sponsoring body have not been met with the cooperation that was naturally expected.

Previous to the decision to discontinue activities as sponsoring group, the chamber accepted the concerted resignation of the scout committee.

Discussion of the chamber's participation in the Washington Township Fair was heard and plans outlined for the booth by the fair committee.

Lovell Scott, baseball committeeman, reported on Niles' ninth straight win Sunday. He told of plans pending for a post season series with some township "A" team, and hinted a township "A" league next year.

Next Mondays meet will be the last for the civic group until the second Monday in September, in accordance with the usual procedure, whereby the chamber rests two months during the summer from its community concerns.

Peter J. Crosby, of Hayward, will be the speaker at the meeting of the Civic group next Monday, according to word received from president F. V. Jones.

## POETRY READING IS HIGHLIGHT OF GARDEN FETE

A group of seventy-five, comprised of members of the Welfare group, the Toyon Branch of the Children's hospital, gathered in the gardens of the Shian home Monday for a luncheon. Invitations were confined to the above group.

Outstanding in the program at the luncheon was the reading of a series of original poems by Mrs. Nell Griffiths Wilson, former president of the Sonoma County Penwomen's Club, and winner of the first grand prize at a recent poets dinner in Oakland.

Mrs. Wilson, whose work is cleverly done, and exceedingly well delivered, read her prize winning poem "Weeping Willow Trees." Mr. and Mrs. Wilson were guests of Rev. and Mrs. W. D. Gordon this week.

The meet was the last regular meet of the Welfare group for the summer and was at the same time an adjournment meet for the Toyon Branch.

## Junior Y. L. I. To Honor President Saturday

Members of the Junior Y. L. I. will be honored Saturday afternoon, when Mrs. Jean Fahy, grand junior president, will pay her official visit.

The president will be welcomed at the I. O. O. F. hall at 2:00 p. m. The Junior girls have prepared a program.

A group of Irvington people attended a barn dance in East San Jose Saturday evening.

Mr. and Mrs. Tony Silva, Mr. and Mrs. Serafine Bettencourt and family, Mr. and Mrs. Filbert Bettencourt and family and Mrs. Mary Dutra, motored to Half Moon Bay on Sunday.

Elsie Costa and Frank Brown motored to San Jose Sunday.

Mr. and Mrs. Oliver Campos have returned home from Hanford, where they visited with Dr. Raoul Campos and Mrs. Campos. They are planning to move to Centerville.

Mr. and Mrs. James McConkey spent the weekend in Monterey.

Allan Hirsch spent the weekend at Hobergs, Lake county.

## JOE E. BROWN IS "HONORABLE GUY" AT MAYWARD SHOW

"Sadie McKee", Joan Crawford's latest, and best work, will conclude a three day run at the Hayward Theatre tonight. Franchot Tone and Gene Raymond play the leading masculine roles. "Let's Be Ritz", with the versatile Lew Ayres and Patricia Ellis fills out the bill.

Joe E. Brown heads the cast in "A Very Honorable Guy" slated for Friday and Saturday. "Man of Two Worlds" with Francis Lederer is the second feature.

Mrs. Arnold Rothstein's own story, "Now I'll Tell," comes for a three day run Sunday. Spencer Tracy has the lead. "This Man Is Mine" with Irene Dunn and Ralph Bellamy plays the same days.

"Uncertain Lady," a comedy starring Edward Everett Horton plays Wednesday and Thursday. "Upper World" with Warren William and Ginger Rogers is an added attraction.

## Corn Patch Damaged as Thieves Purloin Ears

Thieves, possibly hungry, and lured by the easy access to the field last Thursday night, ravaged a corn patch on the J. E. Thane property south of Niles. Stalks were broken and several rows almost totally destroyed. Police, notified of the depredation will keep a lookout for similar activities.

## DUBLIN WOMAN TAKES LYSOL TUESDAY NIGHT

A woman giving her name as Miss Anna Turner, said to be living on a farm on the road leading to the White Angel's camp near Dublin, is said to have attempted suicide by taking lysol Tuesday evening and was treated by Dr. Richard Heinz, of Pleasanton.

The woman, after Dr. Heinz had worked on her for about an hour, was reported on the road to recovery. According to word received from Hugo Radbruch and Chief of Police John Delucchi the woman is said to have taken the lysol following a quarrel with her fiancé.

## Optical Girls Eke Out Win Over Pacific Grove

Last Saturday the Progressive Optical girls baseball team traveled to Pacific Grove to meet the Pease Drugs. The Progressives were victorious by the close score of three to two.

Up until the fifth inning neither team had scored a run.

At the end of the fifth inning Pacific Grove scored one run. In the beginning of the sixth Vagas got a hit and scores a run, making a tie score of one and one. The Opticals tightened up and Dutra and Silva each scored a run in the seventh. Their opponents also made one run in the seventh, making the score three to two. It was said to be the best ball game ever played on the Grove diamond. This game was the first night ball game that the Opticals have played. They will play a return game very soon, but the date or place has not yet been decided upon.

Miss Evelyn Bond has been entertaining Miss Jeanne Slater, of Oakland, for several days.

Mr. and Mrs. Tony Rose and son, Donald, of San Jose, visited in Irvington on Sunday.

Mrs. O. N. Hirsch entertained the Irvington Bridge club Thursday. The meet was the last for the season.

Miss Lorraine Leal, of Oakland, is spending her vacation with her grand parents, Mr. and Mrs. F. A. Leal.

Mr. and Mrs. Joe Perry and Mr. and Mrs. Leonard Freitas enjoyed a fishing trip on Sunday.

Mr. and Mrs. Joe Amaral and family and Miss Stella Vargas, attended the wedding of Mr. and Mrs. Frank Goularte in Sunnyvale.

## EASTERN STAR CARD FETE IS HELD FRIDAY EVENING

The Eastern Star card party held at the Odd Fellows' hall last Friday evening was a great success according to Mrs. Cecile Cope, chairman.

A large patchwork quilt made by Mrs. Cope was awarded to Mrs. W. H. Nipps, of Dublin.

Awards for the evening went to Mrs. Bristow, E. D. George, Mrs. Mambert, of Oakland; Mrs. C. J. Clemens, Arthur Clemens, of Hayward; Mrs. C. Jasper, of Sunol; and Mrs. William Hall, Joseph Bairos, Miss Carolyn Ward, F. S. Ellard, Phillip Johnson, Mrs. J. T. Nolan, Mrs. V. Bernard Johnson, Mrs. Claude Smallwood, Mrs. Peter Madsen, W. H. Nipps, Nan Carey, Mrs. M. Elsnab, Mrs. J. A. Block, Mrs. J. W. Sheffield, J. A. Block, Mrs. G. T. Fleming, J. W. Sheffield, and Mrs. Thomas Silver, all of Pleasanton.

## Amador High Boys Are Given Athletic Awards

Athletes of the Amador Valley high school were presented with athletic awards by Coach George Patterson at a student body meeting held at the high school last week.

The awards were earned by the boys during the basketball and baseball season. English A's were presented to the players who made the second and third teams; boys making the varsity teams were awarded block A's. The boys who had earned their block A's in former years were presented with gold felt stars.

Those receiving awards were as follows:

In basketball: Stars were awarded to Eric Hansen, Ed. Dolstra, Harold Kamp and Arnold Abbott; Fred Dutra, Bill Carey Block A's were given to Harold Moller, and English A's were given to Everett Kamp, Ernie Bernard, Andrew Cintrone, B. Mello, A. Shotwell, V. Compagna, R. Saftren, Chet Patterson, A. Regalia, Clifford Paulo, Carl Haas and Albert Chadbourne.

In baseball stars were awarded

## Pleasanton Will Not Have July Fourth Celebration

That Pleasanton will not have its annual Fourth of July celebration this year was definitely decided upon by the board of directors of the Junior Chamber of Commerce at a meeting held Monday evening of last week.

According to officers of the celebration, the inability to reach a satisfactory agreement upon the rent of the race track, with its owner, was the main reason for the cancellation of the celebration.

Owners of the track wanted two hundred fifty dollars rent for the track without a grandstand, and the cost of putting on a horse show was estimated to about three hundred dollars, the costs which are much more than could be raised on the one afternoon.

There will be no big parade on the morning of the Fourth because the committee thought it unwise to attract a number of people to Pleasanton if there would be no entertainment to be presented for them in the afternoon.

According to Peter Christesen, chairman of the advertising committee, the only thing that will be held in the nature of a celebration will be a Kiddies parade on the evening of July 3 followed by a street dance. Ernest Schween is chairman of the Kiddies parade.

## Large Fire Destroys Mingoia Fruit Dryer

A huge conflagration of unknown origin caused about \$7,000 damage at the Mingoia's fruit dryer late Saturday evening.

The fire was first noticed by a passerby who left the report with John J. Amaral, assistant fire chief of the Pleasanton fire department, who with Frank Tringham, rushed to the scene.

When the Pleasanton fire department arrived at the Mingoia ranch the fruit dryer was a mass of flames and nothing could be saved. The firemen kept the fire from spreading to near by buildings.

An alarm was sent to the Alameda county fire patrol. They took a back road from Livermore and were not able to cross the creek with the truck and were forced to come into Pleasanton before reaching the fire.

The dryer was completely destroyed by the fire. A large almond huller, fruit trays, fruit boxes and other equipment was lost in the flames.

According to Mingoia there was nothing in the dryer which could have caused spontaneous combustion. It could not be learned in what part of the dryer the fire had started because when it was first noticed the building was all in flames.

A big booster's dance will be held on Saturday evening June 30, at the I. D. E. S. hall. The purpose of this dance will be to boost the kiddies parade to be held on July 3.

It was also decided by the board of directors that the town would not be decorated for the affair. Their final conclusions were that it would not be necessary to have the town merchants go to the extra expense if there would not be a celebration on the Fourth.

The Fourth of July celebration was started in Pleasanton two years ago. Both years the committee in charge was able to break even but no net profit was made on the celebration due to the large expense of conducting the horse races and horse show at the track. It was experienced in the past two years that there was not enough money raised at the track events to justify their expense.

The street dances on the Fourth and the Booster's dances did prove a huge success and were mainly responsible for the success of the celebration.

The board of directors which have charge of the celebration this year consists of Sam Glassey, president; Andrew Greve, John J. Amaral, Andrew Jorgensen, Peter Christesen, Jimmie Trimingham, and Bill Hall.

This is one of the most destructive fires suffered in Pleasanton for some time. This misfortune will put a number of women out of employment during the summer.

## PLEASANTON GIRL WEDS MISSION SAN JOSE MAN

At impressive wedding ceremonies held at the St. Joseph's Church, at Mission San Jose, Sunday June 10, Miss Margaret Amaro, daughter of Mr. and Mrs. Myron Amaro, of Pleasanton, became the bride of Victor Souza, son of Mr. and Mrs. John Souza, of Mission San Jose.

The bride was attired in a long gown of white satin with a long flowing veil fitted to her head in a bonnet shape. She carried a lovely bouquet of gardenias and lilies of the valley.

Miss Dorothy Travers, of Oakland, cousin of the bride acted as maid of honor. She wore a long gown of pink silk with a hat to match, and carried a showered bouquet of sweet peas.

The bride was given away in marriage by her father, Myron Amaro.

The groom was attended by Myron Amaro, Jr., of Pleasanton, brother of the bride.

The ceremonies were performed by Father Rose and were attended by over two hundred friends and relatives of the young couple.

Miss Winifred Azeveto, of Mission San Jose played the wedding march.

A reception was held from two to five at the home of the groom's parents, Mr. and Mrs. Souza. Late in the afternoon the young couple left for a weeks honeymoon trip. When they return they will make their home in Oakland where the groom is employed.

## Improper Pruning Cuts Fruit Yield

### Better to Leave Tree Alone Than Follow Program of Butchery.

By R. S. Marsh, Horticultural Specialist,  
College of Agriculture, University  
of Illinois—WNU Service.

In spite of the fact that pruning has been practiced for more than 2,500 years, there are still many misconceptions of this horticultural operation affecting the fruit income on farms. In the ten years of 1923-1932 inclusive the state of Illinois' apple and peach crops alone averaged \$8,921,100 annually.

Pruning should aid the tree in its natural habit of growth and in its battle against the enemies of disease, insects and adverse weather conditions. However, it is better to allow the tree to go unpruned than to practice some of the popular methods of butchery.

The principal accomplishment in pruning is the modification of the tree form and size, although the practice will affect the color, size and quality of the fruit. The form of the tree should not be changed radically, and its size must not be reduced too much. If maximum yields are to be obtained, on the younger apple, pear and cherry trees, the more wood that is removed by pruning, the smaller the crop produced and the longer it takes the non-bearing trees to come into production.

On older trees the removal of non-vigorous wood thins out the branches so that resulting fruit is of improved color and size. This thinning does not reduce the yield on some varieties, if done carefully, and does permit a more thorough job of spraying for the control of insects and diseases.

When fruit trees are first planted, important training can be accomplished by pruning and disbudding. During the first two seasons of growth, proper training will produce strong trees that will live a long time. Such trees will require less pruning later on.

### Lack of Iron in Rations

#### Cause of Anemia in Pigs

Anemia in suckling pigs is caused by lack of iron in the ration of the pig, says the department of animal husbandry at Cornell university. It is pointed out that at the present time it is impossible to increase the iron content of the milk by feeding iron to the sow and other means must be used to prevent attacks of anemia.

When sows and litters are confined indoors on concrete and wooden floors, members of the department say, the pigs may become so anemic that they die before weaning time, and recommend the use of a saturated solution of ferrous sulphate to prevent anemia. The iron solution may be prepared by dissolving one pound of dried ferrous sulphate, or an ordinary grade of copperas, in one quart of hot water.

Treatments with this solution as outlined by the department are: swabbing the udder of the sow once daily until the pigs are six weeks old; or drenching the pigs once a week until the pigs are four or preferably six weeks of age. When pigs cannot feed in a creep or self-feeder, probably they should be drenched once a week until they are six weeks old.

### Buds on Tree Differ

Botany teaches us that buds and fruits are but the extensions of the twig growth, just as our hair and finger nails are outgrowths of the skin. The old-fashioned theory that all the buds from a tree of certain variety are identical is disproved by literally thousands of instances. Buds partake of the same cell characteristics as the branch on which they grow. A branch whose genetic factor produces solid red apples will produce solid red apples consistently, while a branch whose cell factors are mixed will produce mixed colored apples consistently. —Greening Nursery.

### Have Time to Think

People who are afflicted with stuttering frequently have a bigger vocabulary at their command than those without an impediment in their speech.

### Sudan Grass Popular

Sudan grass attained a high degree of popularity as a summer pasture for cattle last season, and it is to be expected that more farmers will look to it as an emergency pasture crop this next summer, according to the Ohio Farmer. Dairy farmers have found it particularly useful because it makes its best growth in August when bluegrass and other pastures are drying up. It is generally sown in June after the soil has warmed up, and in about six weeks it is ready to pasture.

### Habits of Goat Grass

Goat grass is a wild relative of cultivated wheat, a winter annual. The seedlings emerge in the fall, and the plants mature the following spring about the time wheat is ready to harvest. Seedlings and young plants are difficult to distinguish from wheat plants. The leaves are narrower than those of wheat plants, and have hairs along the edges near the base, a character lacking in wheat. The grass tillers profusely, and when abundant it not infrequently crowds out the wheat.

### Name "Marian" and "Marion"

There seems to be no hard and fast rule concerning the spelling of the Christian name "Marian." In early literature it was spelled both with an "a" and with an "o." Marian as a feminine name is derived from that of the Virgin Mary, and in France as early as the Thirteenth century was so spelled. Later there appeared a French feminine name, Marianne, a combination of Marie and Anne, which subsequently was abbreviated to Marian. Among the Latin races, many men were also named for the Virgin Mary, and the name Marion, spelled either with an o or with an a, is frequently used.

### Pharmacy in Early Days

Arabic was the language in which pharmacists and physicians wrote contributions to knowledge after the fall of Rome. Mesue, chief physician of the medical academy of Bagdad in the days of Harun-al-Rashid, in the Eighth century A. D., was reputed author of a formula of medicinal preparations and of a treatise on dentifrices. Schools of pharmacy were established in various parts of the Mohammedan world in connection with schools of medicine.

## Children Warned to Be- ware of Widow Spiders

The black widow, or hour-glass spider, said to be the only deadly arachnid in North America, is present in this district, recent discoveries show.

Sometimes called the "shoe-button" spider because of its round shiny body, the arachnid sometimes reaches the size of a twenty-five cent piece. It is jet black, except for small red markings on the ventral portion beneath the body. Unlike most other spiders, the widow is comparatively slow-moving. It spins a very untidy web, and is found in dark recesses, such as under stones or planks. It also inhabits closed sheds. Children are warned to be careful in their play about old sheds.

Mrs. Richard Jelliff, who captured one of the venomous arachnids last week, has been displaying it in order that its appearance may be known.

Although very poisonous, the spider is not aggressive, and will bite only if squeezed or rolled. The softness of its mandibles, or jaws, make its bite only possible on tender skin.

## W. H. Griffith Dies In Oakland Of Heart Attack

Death claimed W. B. Griffith, of Oakland, husband of Marie Madsen Griffith, former Pleasanton girl, who died suddenly of a heart attack while experimenting in his laboratories in Oakland last week.

Griffith was experimenting on some mining apparatus. When he didn't return home the first evening Mrs. Griffith thought that he had stayed with another friend for the evening. When he failed to return home the second evening Mrs. Griffith went to his office laboratories to seek for him and when she entered the room she found him lying on the floor. It is thought he had been dead for over forty-eight hours.

He was married at the residence of F. P. D. Madsen on Division street, Pleasanton and lived here for a number of years.

Funeral services were held Monday afternoon and interment followed at the Mt. View cemetery in Piedmont.

He leaves his wife, Mrs. Marie Griffith, a daughter, Mrs. Hazel Rasmussen, and a grandson, Roy Rasmussen, of Oakland.

Mrs. Griffith is the sister of Peter and Fred Madsen, of Pleasanton.

Among those who attended the services Monday afternoon from Pleasanton were: Mr. and Mrs. Peter Madsen, F. P. D. Madsen, Mrs. J. H. Sampson, Fred Madsen, and Fred Sharkey.

### Former Niles Girl In England, Writes Parents

Mrs. Sheldon Judson, formerly Miss Daisy Mendenhall, daughter of Mr. and Mrs. R. H. Mendenhall, of Niles, wrote to her parents last week of her trip to England on the North German Lloyd liner, Bremen. Mrs. Judson, whose marriage was revealed last month will tour Europe with her husband.

The couple boarded the Bremen at New York after a trip across the continent by plane. They docked at Southampton, England. Mrs. Judson writes her impressions of London, and tells of the apparent poverty of the English working classes. She was impressed with the diminutive British cars of seven and eight horsepower, which are in common use.

### SIX INJURED WHEN CARS COLLIDE AT WARM SPRINGS

Six persons were hurt, one perhaps fatally, when a car driven by George Nechen, of Berkeley, collided with another driven by Walter Mitchell, of Santa Cruz, at Warm Springs Sunday morning at about 7:30 o'clock.

All of the injured were taken to the San Jose hospital, where Nechen was reported as still unconscious Monday with a fractured skull.

Others hurt in the crash were: Bud Crosby, 17, Margaret Porter, 16, Lucille Verdon, 17, all of Berkeley and riding with Nechen.

Mitchell was unhurt, but his wife Bertha, and Mrs. Francis Palley, who were riding with him were extensively cut and bruised.

### Y.L.I. MEMBERS WILL WITNESS SEATING OF PRESIDENT

Several members of the Laura Loma Parlor of the Native Daughters of the Golden West, will leave Niles today to witness the installation of Mrs. Gladys Noce, new grand president, at Santa Cruz.

Those who will see the ceremony are: Mrs. Ethel Fournier, who is a sister of Mrs. Noce, Mrs. Mary Bernard, Mrs. Lily Burr, Mrs. Belle Cahill and Mrs. Margarite Crane.

Mrs. R. H. Bennett, as delegate to the convention at Santa Cruz, has been there since the early part of the week.

### Burlington Zephyr Is Viewed By Multitudes

A flash of silver, gliding silently over the rails, the new Burlington ephyr, steamlined train, passed through Niles yesterday morning at 11:37 o'clock.

Crowds lined the Western Pacific right of way to view the train as it passed. Interest in modern developments is indicated.

Running on rubber-tired wheels, and with the wind-roar reduced by steamlining, the Zephyr moves with very little sound. It is on display at San Jose this morning.

### MISSION FIREMEN BEAT IRVINGTON SUNDAY 5-2

Mission Firemen defeated Irvington Sunday 5 to 2. The game was full of spectacular plays that had the crowd wild many times.

Al Muniz, of Irvington, made the most sensational catch that was ever made on the Mission diamond. Pennel and Telles made some catches and stops that are worth while mentioning.

Shorty Silveria, on the mound for the Firemen, pitched one of the games that he is well noted for. He pitched shutout ball up until the ninth, which is a great achievement against the highly praised Irvington club. He was touched for eight scattering hits and struck out six men and walked one man.

Berta was the star hitter of the day. He got four hits with four attempts. He also played a great game at first-base. Vic Soares also did some damage at the plate, getting a homer and a single with four tries.

Stagnaro was on the hill for Irvington. He allowed ten hits, walked seven men and struck out four. Joe Muniz and Hernandez were the star batters for Irvington, getting two for four.

### FARM LEAGUE JOINS NATIONAL UNION AT GATHERING MONDAY

R. V. Garrod Stresses Need For Farm Co-operation

R. V. Garrod, California State president of The National Farmers Union, and member of the state board of agriculture, made a very important talk Monday evening, at the Washington high school, Centerville, upon the work of his organization.

Garrod sketched briefly the history of farm organizations, and the part each of them had taken in the fight for farm legislation. He related the fight made here in California over the abolishment of the Marketing Commission, and the victory which reinstated it and put Professor Macklin at its head.

The question of marketing farm products was vividly presented. "The American farmer," said Mr. Garrod, "is being preyed upon by many interests which might be called predatory." As an instance of this he cited the fact that it is almost impossible to get a can of beef in our markets today that is put up in this country. They all bear the label of our meat packers, but are packed elsewhere. The sugar industry and various other American farm products are having to compete with importations. The vegetable oils imported, for instance are hurting the dairy industry, and so on down the line. It would seem that the importer was being favored at the expense of the American farmer.

That the National Farmers Union was not controlled by any corporation was shown by the strong fight they have put up for beneficial legislation for the farmer, such as the Frasier-Lempke bill, and other measures, including a modification of the Pure Food ruling which last year cost the California farmers in the neighborhood of \$5,000,000, because of the excess moisture ruling which compelled them to dry their fruit too much.

There are real rackets too, Garrod said. The Consumers League which tried to extort tribute from our dried fruit packers by libelling our dried fruits as unfit for consumption, was an example of still another way to hurt the farmer.

At the close of Garrod's address, the Farmers Protective League voted to affiliate with the National Farmers Union, and will hold their first meeting next Monday evening, June 25, at the high school in Centerville. Any farmer interested is invited.

### NEWSPAPERS BASIS FOR CHEVROLET ADVERTISING

Bringing news of vastly increased use of the newspaper medium to advertise Chevrolet products during the next two months, C. P. Flisken, advertising manager of the Chevrolet Motor Company, arrived in Oakland last week. The Chevrolet advertising executive is investigating advertising requirements in this region to determine the program for the remainder of 1934 and to formulate local advertising plans for 1935.

Flisken stated that this year the Chevrolet company is using 5600 newspapers on its advertising schedule.

In further statements, the official pointed out that, "Chevrolet advertising is based primarily on potential sales in any given locality.

Latest figures for sales, up to, and including May 20, show Chevrolet doing 145 per cent of the business it did during a like period in 1933. All this conclusively proves that Chevrolet's policy of using newspapers as a foundation for all of its advertising is a sound and good one.

The mean annual temperature in Washington township, based on observations extending over the last twenty years is approximately 67 degrees Fahrenheit.

**why SMOTHER YOUR FOOD?**

Perishable foods, according to the Department of Agriculture, spoil much more quickly when covered. So why use a refrigerator that forces you to smother your foods in covered containers to prevent their drying out?

Think twice and you'll use ice. For only ice provides the non-drying cold that keeps foods fresh and tasty when placed in open dishes.

**1934 Ice Refrigerators** afford more shelf room and give lower temperatures with less ice. Better than the best mechanical substitutes; yet, size for size, they cost only one fourth as much. Prices start at \$24.50. Easy terms. Liberal allowance on your old ice-box. Ask your ice man.

For safe cold... plus flavor protection... use

### CONGREGATIONAL CHURCH NEWS

"Religious Vitality" is the topic by the pastor for his last sermon before the summer vacation. All activities of the church will cease during the month of July, to start again the first Sunday in August.

This Sunday the Sunday school will enjoy a series of beautifully colored lantern-slides depicting incidents in the life of early Judea. Adults are cordially invited.

Christian Endeavor will meet at 7:00 o'clock. It will be a business meeting and general discussion on plans for next fall. Every member is urged to be present.

The radio play for this Sunday, KQW, 4:15 o'clock, is entirely different. The setting is in the catacombs under Imperial Rome. Domitian the Cruel is Emperor. It is an intense and tragic story. You will not wish to miss it. Those in the cast as you will first hear them are: Cenra, a Roman lady, Mrs. Wesley Dexter Gordon; Marcus, her husband, Ted Dunfin; Zernes, a Greek; C. A. Griffin, Joseph; a Jew, Wesley Dexter Gordon; Zalita, his wife, Irma Hodges; Aaron, their son, Robert Hodges; Flavia, an orphaned Roman girl, Barbara Straub; Arnos, a messenger from Judea, Jack Townsend; and Secundus, a Roman centurial, Wesley Dexter Gordon.

A predominant physiographic form found in the hill region in Washington township is the "dale," a denudational valley without any stream cut features.

### VETS ENJOY BALL GAME, BARBECUE SUNDAY

Mobile heavy artillery, manifested at the plate and in the field, Sunday won the day for the Army over the less deadly Navy team, when the American Legion Post held its annual baseball game and barbecue. The score was seven to six, which was close enough to elevate the vanquished and temper the victory.

The baseball game which was played at the Niles grammar school diamond in the morning, was followed by a huge barbecue at Rose's park in the hills north of Niles. Post members and their families, making a number of more than 175, gathered for the festivities.

Races, horseshoe pitching contests and games took up part of the day. A huge feed was served. The chefs were: Louis Ruschin, Bud Ruschin, Fred Rieder and John Dutra.

## FORD PRICES DOWN ON PASSENGER AND COMMERCIAL CARS

Reductions of \$10 to \$15 in list prices of 1934 Ford V-8 passenger cars and \$10 to \$20 in list prices of Ford V-8 commercial cars and trucks were announced last week by the Ford Motor Company effective Friday, June 15.

Ford prices had remained unchanged, according to Dohner and Galbraith, Centerville dealers, since the introduction of the 1934 Ford V-8 last December, the Ford Motor Company not having participated in the recent general automobile price increase. The reductions announced are, therefore, a decrease in the original prices.

The price reduction on the standard and de luxe Tudor Sedans, most popular individual models in point of sales, is \$15. Prices of other standard and de luxe body types were reduced \$10 except prices of the roadster, phaeton and cabriolet, de luxe types, which remain unchanged. Both standard and de luxe passenger cars have the same V-8 engine and 112 inch wheelbase chassis. Body type for both are identical except for the de luxe equipment.

Mr. and Mrs. R. T. Anderson, Dr. and Mrs. W. L. McWhirter, Mr. and Mrs. Frank Dusterberry, Mrs. J. Stevenson and Miss E. Dusterberry attended a performance of "The Drunkard" at the Hotel Oakland, Wednesday night.

Planned Printing—At Township Register.

## GARINTEES, KNIGHTS TO CLASH HERE SUNDAY

Centerville's Garintees, playing a fair brand of baseball Sunday, defeated the Kraftite nine by a score of 8 to 7 on the Hayward high school diamond.

The Garintees led 7 to 2 until the sixth, when a Kraftite flurry tied the score. The winning run was scored in the eighth. Brazil, Brown and Medeiros played good ball for the winners.

In fifteen games played to date, the Garintees have been victorious in twelve.

Sunday, the Garin team will meet the Centerville Knights of Columbus nine here.

## Evening School Head Tenders Resignation

According to word received last week, A. L. Agosti, principal of the Washington Union High night school, tendered his resignation to the board of trustees in order to accept a position on the faculty of the Burlingame High school.

Agosti served as night school principal at the Centerville school throughout the past year. The board will meet next week, it is said, to name a successor for next year.

Miss Mila Norris, of Bakersfield, is at home for a two-week stay with her parents, Mr. and Mrs. Garrett Norris.

## WATER COMPANY IS TAKEN OVER BY NEW OWNER

Improvements in the Centerville water system, delayed by foreclosure proceedings, will be resumed immediately, according to word by E. Cross, principal bondholder, who took over the company at a trustee's sale last Tuesday.

Cross' taking of the company ends a thirty-eight year ownership by M. S. Pires.

Work on the new tank, designed to give an increased pressure in the system will soon start. It will be erected by the Chicago Bridge and Iron Works, and will be of the latest design.

E. Lauppe will be retained as manager of the system.

## LIONS TO INSTALL NEW OFFICERS TUESDAY

New officers of the Centerville Lions club will be formally seated next Tuesday evening, according to Chick Santos, director and past president. Election took place the evening of June 12.

Officers to be installed are: Joe Jason, president; Allen G. Norris, vice president; Loren Merriott, secretary; W. Macdonald, treasurer; Manuel Alameda, lion tamer; Chick Santos, George Hellwig, Harold De Leon and Dr. G. S. Holman, directors.

## Fractured Hip Result Of Stair Fall Monday

Slipping on the stairs in his home at Alviso Monday, John F. Dias, 84, well known in the township, suffered a fractured hip. He was taken to the Hayward hospital in the Chapel of Palms ambulance.

Although he will be confined to bed for some time, the aged man is expected to recover from the injury.

## Centerville Personals

John Dusterberry, George Mathiesen, Jr., and Billy Miller are at the Boy Scout Camp at Dimond.

Mr. and Mrs. Albert Agosti and daughter, Carol, have gone to Eugene, Oregon, to spend the summer with Agosti's parents. They will return to the bay region next fall.

Mrs. George Lowrie entertained the Birthday Club at her daughter's home in Ben Lomond last Thursday.

Miss Sadie Smith, of Oakland, spent last week visiting with Miss Elizabeth Dusterberry.

Miss Hartley Allen, of San Francisco, is visiting at the Henri Salz home.

Dr. and Mrs. W. H. McWhirter will entertain the Evening card club at their home Saturday evening.

Mrs. Darrel Tragh, the former Miss Margaret Lowrie, spent two weeks with her parents, Mr. and Mrs. George Lowrie, recently.

Miss Josephine Herbert and Miss Antoinette Botelho have returned from a week's stay at Paradise Park, Santa Cruz county.

Mr. George Emerson and sons, James and George, are spending the week at their summer home at Paradise Park.

Frank Madruga and Joe Jason were business visitors in Livermore Tuesday evening.

Miss Jean Coit is enjoying a two-week vacation at Yosemite Valley.

F. F. Botelho and daughter Sybil are vacationing at Bartlett Springs.

The following attended a picnic at the St. Mary's college, given by the Berkeley Council Knights of Columbus Sunday: Ernest Pimentel, Miss Marjorie Martin, Elmer Lewis, Miss Helen Andrade and Leon Mendonca.

Miss Marjorie Martin was graduated from San Jose State College last Saturday. She will take a position on the staff at a Hayward school next fall.

Mr. and Mrs. Chick Santos and Mr. and Mrs. Joe Jason spent the week-end at Santa Cruz. Santos and Jason were delegates to the Lions club convention at the Casa Del Rey.

F. T. Dusterberry represented the Centerville Chamber of Commerce at the ground breaking ceremonies for the new low-level tunnel connecting Alameda and Contra Costa counties.

## KNIGHTS ELECT NEW OFFICERS LAST THURSDAY

Officers of the Centerville council, Knights of Columbus, were elected to hold office throughout the coming year, at a regular meeting held Thursday night at the Parish hall, Centerville.

The new council heads are: Louis Mayer, grand knight; Manuel F. Silva, deputy grand knight; George Kommes, chancellor; Tom Maloney, warden; George Coit, treasurer; John Vasconcellos, recording secretary; John Viera, inside guard; John Dos Santos, outside guard; Henry Enos, advocate and Joseph Duarte, trustee.

Ernest Pimentel, past grand knight, gave a report on the recent convention at Long Beach.

Final plans for family night, slated for the 28th of this month were discussed.

## TWO GET BASTILLE TERMS FRIDAY AT NORRIS' COURT

Two men are serving short sentences in the county jail this week following the Friday session of Judge Allen G. Norris' court. The jailed men are Esteve De Leon, of Alvarado, serving ten days for disturbing the peace, and Harry Ramos, convicted of drunken driving.

De Leon was arrested on June 12, following a domestic brawl in which he tossed furniture about and made himself generally objectionable. He pleaded guilty to a charge brought by his wife.

Ramos, pleaded guilty to a misdemeanor charge brought by traffic officers, that he was found driving in an erratic manner on a local highway. He was given fifteen days.

## Irvington Man's Racer Beaten In Main Event

Boxed on the turns by fellow drivers who were determined to prevent him from winning, Fred Agabashian, driving for Roy Canright, Irvington garage owner and racing enthusiast, placed second in the main event at the San Jose speedway Sunday.

In addition to difficulties created by other cars, Agabashian was troubled with a missing motor. L. Armstrong took first place.

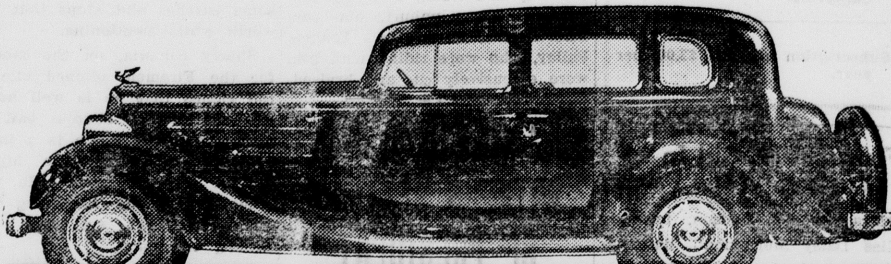

Canright's car, said to be one of the fastest ever seen on local tracks, will participate in the races at San Jose again Sunday. Previous to his defeat, Agabashian had won four races.

Mr. and Mrs. Hugh Dougherty are attending an educational conference at San Louis Obispo. Dougherty will remain in San Louis Obispo for a summer course at the college there.

## 9TH CONSECUTIVE VICTORY SUNDAY FOR NILES

Scoring nine runs with a total of fourteen hits, the Niles C of C's Sunday won their ninth consecutive league victory when they journeyed to Hayward and cleaned up on the Ramos Real Estate team Sunday. The game ended with the score: Niles nine, Hayward five.

Duarte and Watson, Niles pitching aces, shared the mound. Duarte, starting, hurled two innings in which he was nipped for four hits and three runs. Watson pitched the remaining seven frames. He fanned ten, was hit six times and allowed two runs.

Trailing until the fourth inning, when they tied the score three-all, Niles came back in the sixth to take a two run lead. Two in the seventh and two more in the eighth gave the local boys a lead that could not be overcome.

Ray Duarte led the hitting with four hits. Bert Watson and Red Blacow each hit two for four. One of Watson's was a triple. C. Pine hit three for four. A minor injury was suffered by the Niles nine when Pura, centerfielder, was hit on the hand by a pitched ball in the first inning.

## NO TRACE IS FOUND OF YOUNGER ARRUDA

A nation-wide search, under way since last year, has failed to locate Frank Arruda, sixteen-year-old brother of Manuel Arruda, now serving a life term in San Quentin prison for the murder of Joseph Bento, Sr., and the latter's son last September.

According to statements made, and evidence brought to light during the recent trial, the younger Arruda was evidently frightened into accompanying his brother, when the latter fled the state.

The sentenced man would at no time made a statement concerning the whereabouts of the boy.

Arruda was given a life term recently by the superior court in Oakland, after sentence had been delayed several times.

Arruda committed one of the foulest, double murders in the history of Washington township. In escaping the noose, he got off easy, is the general opinion.

## CCC Enrollment Will Begin in July; Report

Five hundred and eleven boys between the ages of 18 and 25 will be enrolled for Civilian Conservation Camps in Alameda county during July, according to Supervisor Ralph V. Richmond.

Applicants must be willing to allot a certain portion of their checks to the support of their families. No applicant who has been a member of the Civilian Conservation Corps before, and who was honorably discharged is eligible for enrollment, Richmond said.

Applications will be accepted at the main office of the Charities Commission at 361 Hobart street, Hayward, and at Charities Commission offices at Niles, Livermore and Pleasanton.

## Personal Items

Miss Marie LePloux, owner of Scott's Corner Service Station, and artist in pottery, was in Niles Tuesday relative to a display of her pottery models at the Washington Township Fair at Centerville.

Mr. and Mrs. W. H. Ford are spending several days at their home here this week. They arrived Monday.

Dr. N. Catherine Holden pending opening of an office in Niles, will conduct business at the Briozza residence north of Niles. Phone Niles 48.—M10tf.

Mrs. L. Meeker, of Oakland, was a Niles visitor Tuesday morning.

"Happy" Hoover, former employee at the International Wood Products plant at Niles, will henceforth be a storekeeper. Hoover recently purchased a neighborhood grocery store in Oakland.

Mr. and Mrs. B. E. Amyx leave today on an extended trip throughout the mountains of the west coast. They plan to be gone for about three months. Amyx is manager of the Edenvale Nursery here.

Mr. and Mrs. Harvey Braun were visitors in San Jose Sunday afternoon.

Mrs. George Bonde is vacationing this week at Santa Cruz.

## Travelers Tell About Kansas Drought Havoc

Dust storms, heat, cold and lightning, were all in the days run for Marshall Green and Everett Mendenhall, Niles boys who left recently on a cross-country automobile trip. They reported that both the roads and the weather in Arizona and New Mexico were not everything to be wished.

Green tells of the drought area, particularly in western Kansas, where the wheat and corn are barely a foot high and fast withering. He stated that the cattle were being turned into the fields to eat the worthless crops.

Green and Mendenhall plan to visit the fair at Chicago, then drive to New York. They will see the Gelb brothers at Hoboken, where part of the fleet is stationed.

## A New Farm Refrigerator

MORE ADAPTABLE THAN EVER TO THE NEEDS OF THE AVERAGE FARM

IT PAYS FOR ITSELF—this proven fact about electric refrigeration has sold it to millions of thrifty housewives. But if it is true of domestic models which only save, how much more true it is of these Farm Refrigerators which earn, as well.

For the average farm there is the new Farm "25"—an economical size to operate, yet plenty big enough for marketable produce as well as food for the family table. This model, and larger ones up to 125 cubic foot capacity are being offered by several manufacturers at astonishingly low prices.

For the farmer who is handy with tools—and what farmer isn't!—we can supply University of California specifications for 35, 40, 80 and 125 cubic foot refrigerators.

Make no mistake, a Farm Refrigerator today is an investment. It not only pays for itself, through usage, but it pays extra dividends in better health, leisure time and more wholesome, appetizing meals.

Don't go through another summer watching food spoilage cut into your profits. End this waste, once and for all, with an electric Farm Refrigerator. Either buy it or built it, but do it now. See our local office for additional information. Easy terms can be arranged, of course.

## Vacation School Is Started At the Presbyterian Church

Seventy-eight children have reported to the vacation school which is being conducted by the Pleasanton Presbyterian Church at the social hall every day, according to word received from Rev. R. C. Cross, pastor.

Classes are being instructed in sewing, embroidery, basketry, and art work for the girls. The boys are doing light shop work and making toys of wood.

School started last Monday and will continue for three weeks. Classes take up at nine o'clock in the morning and are through at eleven thirty. They are held every day excepting Saturday and Sunday.

At the end of the three weeks commencement exercises will be held. Small entertainments are being arranged to be given for the students during the summer school.

The instructors and the classes they will have charge of are as follows:

Mrs. Kenneth Cake, song and story hour by the primary and beginners department;

Mrs. Albert Torrey, hand craft, assisted by the Misses Carmen Cope and Winifred Fawcett;

Miss Verna Littlefield, pianist and art class;

Mrs. Sam Keating, basketry;

Mrs. Andrew Greve, sewing and fancy work;

Jack Kolln, woodwork for the boys.

## Editorial Comment

NORMAN H. PARKS, Publisher Register

government, the disappointed ones would have had to nurse their blasted hopes in silence. But with the fuel offered the forgotten laborers in the party vineyard, in the form of notorious appointments, real trouble started—trouble that could neither be ignored or stopped. The result is disorganization, and the federal "pet," with the campaign but four weeks old, is as politically dead as the mummies that lay buried at Tadmor in the desert.

## LONG ILLNESS ENDS IN DEATH FOR NEWARK MAN

Ill for several months, during which time he rallied several times, John Biemiller, 51, was taken by death Friday at his home on Cherry Avenue, Newark. He had been a resident of Newark for fifteen years, during which he raised his family, and won for himself the respect of all who knew him.

John Biemiller was a native of Pittsburg, Pennsylvania, where, as a youth he embarked upon a life calling as a steel worker. He had been employed in Newark at the Graham plant. He was a member in good standing of the Iron Molders Union.

He leaves to mourn his passing, his wife Flora Biemiller, two sons, John and Edward, and one daughter, Marcela.

Funeral was Monday morning at 9:00 from the Biemiller home, thence to the Holy Ghost church at Centerville, where a high mass was said at 9:30. Burial was in the Holy Ghost cemetery at Centerville.

## MISS EVA COSTA TO WED EUGENE SILVA NEXT WEEK

The forthcoming wedding of Miss Eva Costa, Centerville girl, and Eugene Silva, popular Newark man, to be in the latter part of this month, has evoked the congratulations of innumerable acquaintances.

Miss Costa, a graduate of San Jose State College, has been teaching at a peninsula school. She will resign her position, it is said.

Silva, son of Mr. and Mrs. M. D. Silva of Newark, was graduate from the University of California. He received his degree in mechanical engineering.

A group of Silva's friends will honor him at a stag dinner in Oakland this Saturday night.

### Populace Reminded Of Anti-Fireworks Ruling

Fourth of July enthusiasts who appreciate a noisy celebration, are this week reminded that there is an ordinance in Alameda county which prevents the sale and use of firecrackers and fireworks.

Deputy Sheriff Hugo Radbruch, in warning the populace against use of the tabooed noise-makers, stated that the penalty is \$500 or six months in the county jail.

Previous to the Fourth and on that day there will be a patrol of the countryside.
